Welcome To Barangay San Antonio

In the 1950's, what would become the Barangay San Antonio that we know today, was once a 12-hectare barren marshland where 200 residential bungalows housed middle-income families.

The Barrio Charter of 1959 or Republic Act No.2370 was created to officially recognize the community as Barrio San Antonio. It was when the Barangay Charter or Republic Act No.3590 was issued that recognized San Antonio as a barangay of Pasig City.

Today, Barangay San Antonio's territorial jurisdiction encompasses Antonio Village at 12 hectares and certain areas of Ortigas Center at 62 hectares, which totals its land area at 74 hectares. It is also one of Metro Manila's highly urbanized communities which is home to about 20,000 Pasigueños.

Our Vision

A dynamic, eco-friendly and highly urbanized community with empowered citizens, constantly striving to achieve excellence guided by integrity and good governance.

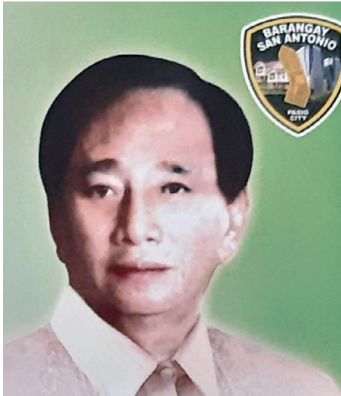

Our Mission

Committed towards carrying out the vision of Pasig City Government through substantial services, pioneering initiatives and sustainable collaborations with various sectors of society.
